March 2002**

From Our President!! ???????????????

Some of you are aware, yet not everyone knows that at this point in time, we no longer have a president. N6TFE, Glenn Day, was asked by Cliff Bari, W7IRC, to resign his presidency at last months General Membership meeting. Glenn responded by not only resigning his position, but also his membership from the club. There is to be an election held at this months General Membership meeting to elect a new president, secretary, and treasurer. Please be sure to attend the meeting and vote to have your choice heard.

Jeanne Jenkins, KD7ANO, Static Editor

Calendar of Events March & April

- | | |
|----------|-----------------------|
| 16 March | Annual Garage Sale |
| 19 March | LBARA Board Meeting |
| 21 March | LBARA General Meeting |
| 23 March | Parker Bike Race |
| 7 April | Annual Club Picnic |
| 7 April | Annual Fox Hunt |

From our V.P., Victor Lopez, KC7QEK

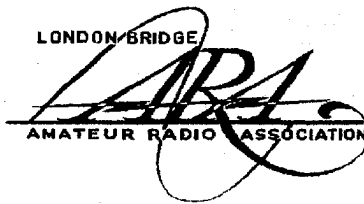

I would like to thank the radio operators who provided communications for the March of Dimes WalkAmerica. We had an excellent turnout. (15 persons for a total of 63 hours, approximately 3.5 hours per person.)

March will be a busy month for the club. On the 16th we'll have a bake sale along with the garage sale, at Leona's house. Don't forget to take your unwanted items to Leona's. On the 23rd, we have Another Dam Bike Race, in Parker, and we still need an additional 6 radio operators. April 7th will be our annual picnic along, (hopefully) with a fox hunt.

Turn on the net on Monday nights, it's different and rather interesting. Our new net operator is Buddie Knutson, KC7BQ, who came to us from MT. He's settled in Havasu and been a member of our club for a couple of years.

Hope to see you at the events, and the Membership meeting on the 21st.

Victor, KC7QEK

Letter From The Editor

Jeanne Jenkins, KD7ANO

I would like to take this opportunity to apologize to the members of this organization for all of the discontent of the recent months, and the contents of both this issue of the Static, along with last months issue.

There have been several changes and resignations since our last newsletter. I am one of those changes. I am the new editor of our static. This is a new experience for me, and I hope you will all bear with me in this adventure I have embarked upon.

Most of you know me, but for those of you who don't, allow me to introduce myself. My name as you have already read, is Jeanne Jenkins. I hold a Tech license which I someday hope to upgrade. I moved to Lake Havasu in January of 1997, and began taking the classes to obtain my license. The following year, I held office on the Board of Directors as Secretary. Due to many disagreements and unproductive situations in the club, I chose not to renew my membership after my second year. Now I find myself once again taking an active role in hopes that I may be of some assistance in getting our club back to what it is supposed to be about, Ham Radio.

For those of you who don't know, I was raised around Ham Radio. My grandparents, I am very proud to say, are Glenn and Jeanne Day. (N6TFE & KA6VCT) Grandpa, to you-- Thank you for the many things you have taught me about ham radio over the years, and for getting me involved in something that may someday enable me to help others.

I feel I have said about all I am able to at this time. If you have any questions for me, please feel free to ask. Please, many of you know much more than I about Ham Radio, send me any information you have that I may be able to use in the production of our monthly newsletter.

Thank you all for your time. I look forward to working for you and with you for some time to come.

Jeanne Jenkins, KD7ANO, Editor

Birthdays in March & April

13 March	Wilma Guerin	KC7LXL
21 March	Lois Woodell	KB7UST
23 March	Dick Jernigan	W7DXJ
28 March	Joe Crosato	KD7BIQ

**Comment From
KC7GDI**

I would like to take this opportunity to thank KC7LXL (Wilma) for her devotion to LBARA.

She did an outstanding job as our Treasurer, Membership and ARRL membership for the past four years. She worked at the Swap Meet in Flagstaff for two years for which LBARA received the money for her work. Wilma donated her RV for use at Field Day several times, was among the first to volunteer for the many activities of our club. She helped individuals with numerous activities. She never once asked our club for any expenses that she incurred.

For all these things and many more I wish her a big **THANK YOU.**

Warren Shannon, KC7GDI, Director

Can anyone guess the year of this QRP QSO record?
Sydney, Australia to Waihemo, New Zealand, a distance of 1600 miles using 4 milliwatts on 200 meters. This is the equivalent of 400,000 miles
