

# The London Bridge Amateur Radio Association

# STATIC

Monthly Newsletter sharing information with our Members!

November 26, 2019 (Happy Thanksgiving!)

## From the Desk of President Steve Stocker – K7SWF.....

A couple of months ago, Steve Fehlhaber/KE7ZIW and I began working on the Club Website to see how we could improve the look and make it more functional. We have completed our “first cut” and it can now be seen at the LBARA website, [www.lbara.org](http://www.lbara.org) . *Use your “Refresh” button on your browser often so the changes will replace the stored pages in your browser!*

We know it will need fixes and changes but the format is now consistent and the pages are uniform. We want to be able to update it easily and keep the Calendar (New for the site) up-to-date without needing a full-time Tech to get it done.

*As we all know, our membership dues are coming up and the [2020 Membership form](#) can be downloaded from the “Membership” page on the new website. It will require Adobe Reader to view or print out.*

Please take a minute to visit the site and let us know if you see any mistakes or have any ideas that we might consider. We want this to be a site that gives you information to help you and any visiting Amateur Radio operators who access it for local information.

Will look forward to seeing you all at the Club Meeting, December 19<sup>th</sup>, 2019!

73,  
Steve Stocker – K7SWF

As many of you are already aware, Jerry/K7LY, suffered a severe Stroke at his home on 11/20. He is a past officer and current Publisher of the STATIC for the LBARA. Today, 11/26, he was moved from the Hospital to a convalescent facility here in LHC. He is looking better!  
We want to thank Charlie/K0TAN and Tom/K7TJH for the contact they continue with Jerry and the updates they provide to us.

Jerry – K7LY

**Nominations for Club officer positions should be submitted immediately as the election will be at the Club meeting on December 19, 2019. Contact information at [www.lbara.org](http://www.lbara.org) .**

*We really need someone to find some interest in becoming the **Club Secretary** for 2020. Thank you Shelly/KI7NTH for your wonderful service in this position!!*

Garry Fisher/K9WZB gave us a report at the November Club meeting about the 2019 Lighthouse Event. It was another successful year of contacts however, our local participation seemed less than the club would have liked to see. This event does generate additional operational funds so the more certificates we can sell to participants, the greater the revenue we can earn.

Charlie K0TAN did a great presentation on the Google Doc's we use to track our Weekly LBARA nets. With this roster on the Internet, those who are approved can not only read the preamble for the net but it is used to tally the check-ins. We have had several Net Callers over time and **the Club now needs 1 more full-time Net Caller (once a Month) and a "Back up" net caller to help with vacations, absences and 5 week months.** Please contact Charlie, K0TAN if you would like additional information or especially if you can take the time to join this ever so important group or members who call these nets.

December Club Meeting, 12/19/2019@ 18:30 hours (board meeting starts @ 18:00 hrs) Ice Cream Social?

## December Birthdays

Day	Call Sign	First	Last
4	WA6YZF	Pete	Nyiri
5	K9DLT	Doug	Tebo
10	K7YQ	Lyle	Sibbald
23	N0TUL	Bill	Bramley
23	KJ7BTH	John (JT)	Troy
25	K7HAV	Mary	Tebo
31	K7LA	Jim	Bridge

The Last Page shows the current listings of our Local Nets and Repeater frequencies.

As this November STATIC is a quick "fill-in" during Jerry's absence, I will see if I can dress it up more in the future!

73,

Steve Fehlhaber – KE7ZIW

- "You can say a foolish thing to a dog, and the dog will give you a look that says, 'you're right!' I never would've thought of that!" ---Dave Barry
- "If your dog is fat, you aren't getting enough exercise." ---unknown
- "Some days, you're the dog; some days you're the hydrant." ---unknown
- "Whoever said you can't buy happiness forgot about puppies." ---Gene Hill
